

A team of Year 4 girls attended the Derby City gymnastics competition at Mickleover Gymnastics Club. They each had to perform 3 routines independently which they had learnt and memorised. Mrs Goozee, who took the girls to the competition, was extremely impressed with children's performance and behaviour. All of the girls were fantastic and as a team they were placed 3rd, only 0.4 of a mark behind 2nd place!

Congratulations!

A special Congratulations goes to Millie Trickey who, out of all the individual gymnasts, scored the highest points and was awarded 1st place! Keep going Millie, maybe we will see you in the Olympics in the future!
