BBC Children in Need Fundraising

Dear Parents/Guardians,

Our School Council are thrilled to announce that our fundraising activities in school raised a total of £939.22 for Children in Need. This is a record breaking total for us here at Mickleover Primary School! A great BIG THANK YOU to you all for sending in your coins and cakes. The money will make a big difference to the lives of children across the UK.

Thank you for your continued support.

MPS School Council
