4F – Tao + Harry D (Harry absent today)

4H – Darcie + Alex

3C – Joe N + Molly M

3RF – Dylan S + Iylah R

Introductions

- Welcome to all new members. Badges handed out to new members – all previous members to check if they still have their badge and to tell Mrs Halliday at next meeting.
- 6G to choose new representative by the next meeting
- Mrs Halliday explained that this year she will be leading School Council. School Council members would like to thank Mrs Jones for all her hard work and involvement so far with School Council.

Autumn Term

Mrs Halliday gave an overview of the Autumn charities which we have supported in the past. Did we still feel like we should continue to support these charities?

- **Children in Need – Friday 15th of November**
All children voted and MPS School Council will be supporting Children in Need this year. Mrs Halliday to apply for the fundraising pack **(Y6 members + Lewis + Poppy to support Mrs Halliday with the organisation of this event)**
- **Christmas Jumper Day – Save the Children December 13th.**
School council voted and it was decided that we will be supporting this charity event. Mrs Halliday to check if we can send funds after the event as our Christmas Activity Day is not until December 18th. **(Y4 School Council members to support Mrs Halliday with this event).**
- Mrs Halliday told members about a letter from Derby City Council regarding Shoe Aid. Shoe Aid is a charity which aims to reduce footwear waste by offering homeless people free footwear. Shoe Aid would provide the school with a bin, and collect the bin free of charge once filled with unwanted shoes.
School Council decided they would like to support the charity but they felt that there was enough charity work happening in the Autumn Term. School Council to contact Derby City Council in Spring Term to see if we can support Shoe Aid then.

- Mrs Halliday asked if Y3 members would organise the sticker collection on the posters for the Aldi Kit for Schools. Y3 members agreed and will meet every Friday at 1 o'clock to stick the stickers onto the posters. We need to complete this by November 6th
- Mrs Halliday informed the children of the Mental Health and Wellbeing award which the school is working towards. Archie and Beeba plus 2 other Y5 children are attending Ambassador training with Mrs Goozee on Wednesday 9th of October. They will feedback about the training at the next meeting. School Council will be supporting the work towards this award

Next Meeting Friday October 18th

Please can all members:

- Check if they still have their badges
- Check if all classes still have their suggestion boxes
- Think about ...what does School Council do well and how could School Council be even better. We shall evaluate at the next meeting
