## School Council Badges

We sorted out School Council badges today at the beginning of the meeting as there were a number of pupils in the new council who did not have badges. Now we have redistributed the badges we have, all of the Year 6 members have the bar shaped badges to highlight their status as our oldest pupil representatives in school and the other pupils all have the more chunky looking badges, so that everyone now has a badge to wear. Thank you to Erin and Mrs Hilton for locating the spare badges for us!

Next week's theme week ( REAL TIME)- Pupils have all now completed their first REAL time choices, ready for next week's theme week. Pupils made four choices from a set of 14 different activities and these will now be sorted so that they will get one of their choices for the activity morning. They will be working with children from across Year 1 to Year 6.

Pupils asked if they have a sibling that has chosen the same activity will they have to be in the same group, Mrs Jones explained that yes, this might happen!

Children in Need Day ( Bake Sale) in class 50p for one cake.

**We made Bake Sale Posters using the proforma from the Children in Need website and Erin asked council members to add the following information to the posters.**

On the Cake Sale posters we put

**Where: In your class, 50p per cake**

**When: 17<sup>th</sup> November 2017**

**Contact: School Council**

**Also need a poster for reminding everyone to wear own clothes or spots – please do your poster for this Friday 10<sup>th</sup> November. Please take a sheet and bring it back for Friday. Lucia showed the fantastic poster that she has made as an example for everyone.**

Erin asked for volunteers from Year 6 School Council to run a cake sale after school for the leftover cakes. Please see attached letter which was given out at the meeting.

**School dinners plates and cutlery-** Feedback from Food Council meeting yesterday was that Mr Goodwin, Catering Manager was not aware of how many items of cutlery, plates and trays that were coming out with food residue on them. He has acted straight away today and in the hall school council members noted that there was a large tub for any dirty crockery and cutlery so that he can monitor what is going through the dishwasher and not being cleaned properly. All of school council had noted that there was a massive improvement at dinner time today! He has also asked the kitchen staff to rinse the cutlery before it is put in the machine to reduce the risk of food being left accidentally on the knives, forks and spoons.

**Next meeting will be on Wednesday 6<sup>th</sup> December 2017 at 12.40pm**

- We will be discussing feedback from our theme week 'All Different, All Equal- mental health and wellbeing/ anti-bullying week including REAL time activities.
- Preparing for Christmas Jumper Day on Wednesday 13<sup>th</sup> December.

Plus any other things your class would like to talk about.

7<sup>th</sup> November 2017

Dear Parent,

We need Year 6 School Council members to run a bake sale on Friday 17<sup>th</sup> November after school for all the leftover cakes from the bake sales that day. Would it be possible for your child to help out for just half an hour after school to sell the cakes for Children in Need?

We will be finished by 4pm for them to be collected or to walk home.

If your child can help out please fill in the slip below.

Thank you,

Mrs Jones and Erin Barker School Council Chairperson ( Year 6).
