Headteacher Mrs Lynne Gerver

Dear Parent/Guardian

Following the government statement yesterday evening, we are trying to gather information on the number of pupils, of key workers, who will need school support during this period of school closure. We are expecting more detailed guidance from the government this evening and the list of key workers may change, however we wanted to take the earliest opportunity to communicate with you to try to put measures in place for the coming weeks.

Please could any parents who are working within the Health workers, Police, Social workers and Care Workers for the elderly or are supermarket delivery drivers, who will require childcare and have no spouse/partner at home, please notify us by return of:

- your employer
- your job role
- the days that you will require childcare provision.

We would be grateful if you could respond as soon as possible by email. We will keep you updated of any further information as soon as it is known.
