

Vocabulary you will know...

e-mail	media
spam	social media
phishing	software
virus	private
cite/citation	digital
plagiarism	strong password
copyright	cyberbullying
personal information	responsible

Key Learning

- To identify spam e-mail
- To create strong passwords
- To know that not everything they see online is true
- To recognise why and how photographs we see online may have been edited
- To recognise the importance of seeking support if feeling unsafe online

Safety knowledge

- I know I need to tell a trusted adult if I feel unsafe online
- I know I need to minimise the page if I see something that upsets me
- I know not to delete any message until a trusted adult has been told
- I know I can use Google Safe search when using the Internet
- I know not to share my personal information until I have checked with an adult
