## Key Learning

### We will ...

- Learn about things that give us light.
- Learn that we live on planet Earth and the moon orbits Earth.
- Learn about the festivals of Diwali and Christmas.

## Key Books

Man on the Moon by Simon Bartram  
Whatever Next by Jill Murphy  
The Christmas Story  
Diwali

## How you can help at home.

### Communication and Language

- Talk to your child about family celebrations such as birthdays, Christmas, Diwali, Eid.

### Personal, Social and Emotional Development

- Talk about how your child's friends might celebrate special times

### Physical Development

- Encourage your child to carry their own bag to school.

### Literacy

- Share books with your child about Space and Christmas

### Mathematics

- Read and write numbers to 5, recognising them in your environment.
- Hunt in the environment for circles, squares, triangles and rectangles.

### Understanding the World

- Look at the night sky with your child and find the moon

### Expressive Arts and Design

- Sing Christmas Carols together.
